ICELAND'S MAGICAL NORTHERN LIGHTS

— 7 DAYS • 10 MEALS —

Day 1: Overnight Flight. Discover Iceland, a land and culture like no other. Climb over fields and massive glaciers sculpt mountains and valleys, honoring Pandungartunnu and stopping by. In the land of many natural wonders, enjoy the rare opportunity to see the aurora borealis — one of nature’s most dazzling light displays, also known as northern lights.

Day 2: Reykjavik - Iceland - Tour Begins. Your tour begins in Reykjavik. Get acquainted with this town as you board. Maddalena church, city hall, the harbor and Reykjavik's National Park, the nation's most historic area. Icelanders gathered here forged by fire and ice. Steaming lava fields and massive glaciers sculpt formations at Dyrhólaey. After dinner, gaze at the sky in search of the northern lights,* a truly spectacular sight. (B, D)

Day 3: Djúpalónssandur Beach - Skógar - Skogar Folk Museum - Eyjafjallajökull Volcano Visitor Centre - Skogar. Drive along the scenic south shore to the Eyjafjallajökull Volcano Visitor Centre. Learn about a family’s struggle to live during and following the dramatic 2010 explosion of Eyjafjallajökull Volcano, known for having Iceland's highest mountains; an Alpine environment; and for its geyser fields of Geysir and Strokkur. Then, marvel at the beauty of the Skógar Folk Museum which contains an outstanding collection covering all aspects of Icelandic life including farm and domestic artifacts, as well as Oral and Folk Traditions. Nearby is the impressive Skógasafn waterfall, one of the largest in Iceland. Later, view Reynisfjara, a black volcanic sand beach surrounded by basalt formations, 600 scattered stones and in the distance the famous Skógasafn waterfall. Then, search for the shimmering northern lights dancing across the night sky. (B, D)

Day 4: Skogar - Vik - Seljalandsfoss - Glacial Lagoon. Drive to the south coast and visit one of the globe's most famous and picturesque waterfalls. Most famous of the Gullfoss (Golden Falls) waterfall, a stunning 100-foot double cascade. Next, visit the Skogar Folk Museum. Then, visit the beautiful Seljalandsfoss, one of Iceland's most famous and picturesque waterfalls. After dinner, visit the town of Vik or search for the northern lights. (B)

Day 5: Vik - Blue Lagoon - Reykjavik. Drive to the incredible Golden Circle, a route that encompasses many of Iceland's most renowned natural wonders. Journey to Thingvellir National Park, the ancient meeting area. The landscape gained here in A.D. 1000 and established what is considered one of the world’s first parliaments. Feel yourself standing upon one of the globe’s most geographically significant land bridges – Thingvellir’s rugged rift valley—a UNESCO World Heritage site marking the point where the North American and Eurasian tectonic plates meet. Experience the explosive energy of the Icelandic landscape with a stop at the geothermal fields of Geysir and Strokkur. Then, marvel at the beauty of the Gullfoss (Golden Falls) waterfall, a stunning 100-foot double cascade. Next, see the beautiful Seljalandsfoss, one of Iceland's most famous and picturesque waterfalls with a waterfall behind it. Continue southeast to Vik, the southernmost village in Iceland, surrounded by beautiful beaches, valleys, cliffs and mountains. After dinner visit the town and perhaps search for the northern lights— the elusive northern lights. (B, D)

Day 6: Vik - Blue Lagoon - Reykjavik. Drive to Jökulsárlón glacial lagoon, filled with floating icebergs. Travel to Skaftafell, gateway to Vatnajökull National Park. The largest national park in Europe, Vatnajökull is known for having Iceland's highest mountains; an Alpine environment; and the geothermal fields of Geysir and Strokkur.
