1. Gather string (or yarn or floss or something similar),
2. Find a book – the length of the book will be the length of the tassel,
3. Starting at the bottom of the book, wrap the string (up and down) around the book 20 times,
4. Take a separate piece of string, run it underneath all the strings on the book, slide it to the top, and tie a knot. This will be the top of your tassel.
5. Slip all of the string off the book,
6. Cut through all the loops at the bottom so all string pieces flow freely,
7. About 1/2 inch from the top of your tassel, wrap additional string (or additional colors), horizontally around the tassel to create definition in the neck of the tassel. This will help to keep all pieces of string bunched together and give extra decoration.
8. Trim any wild pieces at the bottom to even it up. And you’re done!
SHOWCASE YOUR PRIDE

Get dressed to impress and be sure to photograph the moment! Wear your favorite CSU garb or something that makes you feel extra special. Then, take photos with those you’ve spent quarantine with, and of course, don’t forget the momentous selfie.

Share on social using #CSUClassOf2020 and #CSURAMGRAD2020! We’ve also created special Facebook profile pic frames and some fun Instagram story templates, so be on the lookout for those as well!
